

Virtual Credit Union Study Program

We are delighted to invite you to have a glimpse of a Mongolian savings and credit cooperative. Mongolia is a landlocked country in East Asia bordered by Russia to the north and China to the south. It covers an area of 1,564,116 square kilometers (603,909 square miles), with a population of just 3.3 million, making it the world's most sparsely populated nation.

We are featuring the Mongol Savings and Credit Cooperative. Founded in January 2001, the Mongol SCC has participated in projects, programs, and training provided by its federation - Mongolian Confederation of Credit Unions. The SCC has successfully overcome challenges and is now one of Mongolia's largest and most stable SCC. It has about 1,420 members and assets of USD 1.7 million.
